

World's Longest Tradition
POLISH PRESTIGE

Janów '96 Sale

Centuries ago, Polish counts and princes imported from the Arabian desert the foundation stock for their Polish Arabian studs. Along with the horses, they brought to Poland horsemanship ideas and the special horse fascination that they learned from the Arab master breeders. Those traditions are still alive in Poland. The horses of the Polish State Studs descend from those original desert imports. The beautiful and athletic Arabian horse, bred with pride and tradition, is now the top yield Poland has to offer.

Dam Line: GAZELLA d.b. imp. 1845 Jarczowce

The pretty Margilla, a very feminine and graceful mare, comes from a well-established private breeding program. She is a grandam of Maciejka, the foundress of a maternal family of great broodmares, including Murhejka, Miszka and Macierzanka. Margilla's sire, Gil, a National Champion of Holland and European Reserve Champion, is a sire of excellent racehorses, such as the triple-crowned Sarmacja. Margilla produced four foals of which the filly Margabia, by Gabaryt, and the colt Marbach, are Mr. Waliszewski's special pride.
