Polish Arabian Summer Festival 2000 Main Sponsor: Plus GSM

Host of the Polish National Arabian Horse Show: VOLVO

Main Sponsor of the International Race Day: MICHELIN

Szanowni Państwo,

Koniec tysiąclecia jest bardzo udany dla polskich koni arabskich. Osiągnęły one wiele światowych sukcesów. Pragnę podziękować i pogratulować wszystkim klientom, którym konie z Białki, Janowa i Michałowa przyniosły powodzenie i radość.

Agencja Własności Rolnej Skarbu Państwa, która sprawuje funkcje właścicielskie wobec polskich stadnin państwowych, ma przyjemność powitać Państwa na Letniej Gali Koni Arabskich 2000 i Milenijnej Aukcji Polish Prestige w Janowie Podlaskim.

W tym roku, oprócz takich znakomitości jak ogier Pamir, słynny ojciec dzielnych i pięknych koni, na liście aukcyjnej znalazło się też sporo wybitnych matek (m.in. Alejka, Empressa, Fanaberia, Warszula), a także młodych, obiecujących klaczy.

Jestem pewien, że oferowane przez nas młode konie zdobędą dla Państwa zaszczytne trofea, starsze zaś cieszyć będą Państwa swoim potomstwem.

Życzę Państwu miłego pobytu na naszym Festiwalu oraz udanych zakupów.

Ladies and Gentlemen,

The Millennium's turn is very lucky for the Polish Arabians. They have captured many international trophies. I wish to thank and congratulate all our clients who enjoyed success with the horses of Bialka, Janów and Michałów.

Agricultural State Property Agency (AWRSP), which performs the ownership rights over the state farms of Poland, has the pleasure to welcome you to the Polish Arabian Summer Festival 2000 and the Millennium Polish Prestige – Janów Sale.

To celebrate the end of the Millennium we have composed our Sale list with unmatched quality of horses, to mention Pamir, the famous sire of brave and beautiful horses, excellent broodmares like Alejka, Empressa, Fanaberia, Warszula, as well as a number of young show promising mares.

I am sure that our young horses will bring you outstanding show results, the older horses will make you happy with their offspring.

I wish you a nice stay at our Festival and good luck at the Sale.

1988 Race Horse of the Year, 1990 Stockholm World Cup Champion Stallion, 1989 and 1990 Polish National Reserve Champion Stallion, 1993 Polish National Champion Stallion. PAMIR was an incomparable racer, winner of five important stakes including Derby. PAMIR is the example of PROBAT prepotency when mated with the great Saklavi mare PARMA, one of the most beautiful and best producing ASWAN daughters, imported to Poland to re-establish the antique MILORDKA line at Janów Podlaski Stud, the dam of 21 foals including five chief sires: PARTNER, PARYS, POLONEZ, PASAT and PAMIR. The outstanding quality of PAMIR's foals, and their spectacular wins at the racetrack and at the show ring confirm his great breeding potential.

Snow-white PILINA is a rare opportunity for acquiring a daughter of one of the most famous show mares of the world: Pilarka – the World Champion and double European Champion Mare. Pilarka with her beauty, high, floating trot and especially her proud, regal personality used to bring audience to a standing ovation at every international show she participated. Pilina who is one of the three Pilarka's daughters used at Janów to carry on this unusual genetic show attitude. Pilina's sire Eternit (International Show Champion Stallion, Marseille 1987) was one of the three premier Bandos sons used at Janów, thus Pilina is a regal blend of Bandos and Palas blood.

1998 Polish National Champion Mare; one of Probat's very best daughters and a worthy representative of Michałow's Milordka family of international champions, Empressa has come to define Arabian presence and attitude, with her "snort and blow, her great tail carriage and her lofty, dynamic trot". Her quality and dryness of constitution bring to mind the image of the desert-bred Arabians imported to Poland and so masterfully captured in the paintings of Juliusz Kossak. Empressa is truly a regal broodmare of the highest possible merit, having produced Empres by Monogramm – the chief sire at Tarus Arabians and Michałow Stud, and Emrod by Emigrant – the 1998 Polish National Junior Champion Stallion.

Breeding Record:

- 1993 filly EDESSA by Wojsław, exp. to USA

EINA, a very typey mare with a beautiful head, is the proud daughter of Ararat, the 1999 Polish National Champion Stallion, sire of Emigrant (1997 Polish National Reserve Champion and 1999 Nations Cup Reserve Champion Stallion). On the dam side Eina comes from Kurozweki's highly esteemed family of Euforia, closely related to the Janów Podlaski celebrities: Eukaliptus and Europa. Eina's mother Ejnia was one of the top Kurozweki mares, the dam of Emael, one of the best Polish racers in the last 25 years.

ALEJKA, the 1993 Polish National Champion Mare, is typical of the mares Janów Podlaski is famous for producing; extremely feminine, excellent conformation, a very beautiful head and a long elegant neck. Alejka is the ideal blend, combining the beauty and refinement of Palas and Bandos with the size, structure and athleticism of Czort. Janów has been reluctant to sell this outstanding Palas daughter and very successful broodmare. One of Alejka's famous progeny is the stallion Alt by Pamir, exported to Sweden. Alt is the 1996 Swedish National Champion Stallion and 1997 Scandinavian Reserve Champion Stallion. Her other son, beautiful Album is considered to be the number one successor of Europejczyk - El Paso.

EUZA is a young mare with a definite international show potential. Very dry with a typey head and large black eyes she is an outstanding mover, the qualities inherited from her father Etogram, the Polish, Swedish and Norwegian Champion Stallion who is the son of champions El Paso and Etruria. The dam side of Euza's pedigree is also an excellent forecast of a show success. She comes from the family of Eunice, the same which takes credit for the greatness of the legendary Janów mare Europa and of Eukaliptus – the sire of champion mares: Emigrantka, Emanacja, Erlanda, Eskława, Grenlandia, Larissa and Pianosa.

The 1989 Polish National Reserve Champion Mare and a long time favorite of foreign visitors to both Michałów and the Polish National Show. "Extremely dry and refined, as if she was taken right out of the desert", Warszula must be considered one of Michałów's all-time most classic beauties and a perfect representative of the infinitely valuable family of Wadera through the legendary Warmia, renowned for exceptional quality, abundant presence and type, phenomenal athletic ability and large, luminous eyes, as seen in international champions Wizja, Wojsław, Wilejka, Warranty and Wiazma. Already a proven producer, Warszula is the dam of Swedish National and All Nations Cup Champion and European Reserve Champion Stallion Wadim by Grandorr.

PESTKA has always been one of these Janów's "not for sale" mares. A very correct mare with excellent motion, Pestka belongs to the elite of Janów Podlaski breeding program. A half sister of the famous Penicylina, the 1.5 million dollar mare in the 1985 Polish Ovation Sale, Pestka is finally available due to the fact that Janów is happy of the number and quality of all her daughters, which will continue this line. To follow the success of breeding Pestka to Eukaliptus, which produced the high quality foals: Pepesza, Psyche and the 2000 colt by Eukaliptus, she has been bred back to Eukaliptus for a new millennium foal.

ESCOVEDA is a great-grand daughter of the legendary Estebna, honored as the very first European Champion Mare in 1973 and the most beloved mare of Michałów Director Ignacy Jaworowski. The very lovely and feminine Escoveda is an excellent blend of Pamir and Bandos blood, with an attractive flea-bitten coat and the trademark Michałów trot. Her beautiful filly by the Egyptian stallion Laheeb proves Escoveda's great breeding potential.

WEDETA is an excellent representative of the Gazella dam line. Her mother, the bay Wiorsta – Gold Medallist of Stockholm International Cup, was known as the “First Lady” of Kurozweki. Wedeta’s sire, Wermut (1999 leading sire of race winners), is the father of 1993 Derby winner Dziewierz, 1999 winner of Tarus Arabian Cup (Europa Prize) Esej and the very pretty Kurozweki-bred mare Wlzyta, present star of Tarus Arabians. Wedeta represents the type of refined, dynamic Arabian horse of high breeding and performance quality. She combines gentle nature with characteristic Kuhailan charisma and outstanding motion.

ETNOGRAFIA is a charming mare of truly desert type and beautiful flea-bitten color called "hreczka" in Polish. With her small, beautiful head and sweet disposition, Etnografia will surely be loved by anyone who buys her. Etnografia's dam Etażerka represents one of the most valuable families of Poland – the family of Etna, famous of such great mares as the World Champion Etruria, the Junior Champion Mare Equitana, and the chief sires: Eternit, Etap and Etat – the Swedish, Scandinavian Champion and Argentina National Champion Stallion. This valuable line will find a continuation in two Etnografia's daughters at stud: Etalanta by Europejczyk and a 2000 filly by Primo.

The excellent snow-white Antwerpia belongs to the elite Janów Saklawi group. She is of good caliber, type, and motion and has proven herself as a broodmare. Antwerpia is a maternal sister to the reference sire Angor - 1999 Polish National Reserve Champion Stallion. Only the fact that Janów has three excellent Antwerpia daughters - Aneksja (by Balon), Antena (by Bandos) and Andakuzja (by Sanadik El Shaklan) convinced the Janów breeders to include Antwerpia in our Jubilee offerings. A wonderful mare, in the best of her productive years.

BARKAROLA, a strong, athletic mare with good motion, is one of the few representatives of the dam family of the Janów legend Bandola. She was the queen of the Polish broodmares, the dam of sires: Bandos, Banat, Banzaj; Barysz and Bajram. One of the last Bandola's daughters was Ballada, the granddam of Barkarola. Barkarola is a very good broodmare herself, recommended for crossing with Saklavi stallions. Two her daughters: Barykada and Barka well represent Barkarola's genetic potential.

PLISA is another of Michałow's most treasured Probat daughters and a daughter of the cherished broodmare Pliszka by Gwarry, dam of international champions Premia and Palba. Plisa is an ideal blend of the regal bloodlines of Amurath Sahib and Comet (from whom she inherits her stunningly rich, flea-bitten color), as typified by her beautifully feminine head, long, elegant neck and noble, maternal bearing. Her production record of 11 foals includes the Eukaliptus daughters Panika and Pasadena, the Falsyfikat daughter Pergola - all three retained by Michałow as broodmares, Plaža by Piechur - exported to Brazil in 1992, and Pandora by Balon - exported to the United Arab Emirates in 1999.

One of the best mares of the Tarus Arabians herd – bold, beautiful, of great smooth body and correctness, with exceptional flary motion. NOTA is a very interesting daughter of the mare Nejtyczanka — who left many valuable offspring in Kurozweki. Among them, are the mares Nostalgia and Nagroda by Partner and the refined, graceful stallion Nimb. Nota's sire Brokat did not leave many progeny in Poland, but all of his daughters are of excellent show and performance quality, which was proven at the 1999 US Nationals. The Kurozweki-bred Eksedra was Top Ten Mare.

TIRANDA is a unique offering for the most dedicated breeders. She is a treasure of Janów, one of the last Bandos daughters. Bandos was one of the best postwar stallions in Poland, having been used in all Polish state studs. He had over 150 foals with mares of such famous beauty as: Europa, Arra, Cedula, Gambia, Etencja, Partita, Pentoda and Tiranda.

In 1982 Bandos was sold to Ventura Farms, USA and his last foals in Poland were born in 1983, among them Tiranda. Tiranda's dam was Tiwiriada, imported as a two year old filly from Tersk Stud, in order to bring back the blood of some most famous Janów horses: Ofir, Dziwa, Taki Pan and Mammona, lost to Russia in 1939.

ANGOR — 1999 Polish National Reserve Champion Stallion — this strikingly beautiful young sire with exotic head and great presence inherited the best qualities of his parents — the balanced structure and ideal conformation of his sire ALEGRO (the best son of the presently reigning "Queen of Janów" — ALGERIA), as well as the desert refinement and dreamlike beauty of his dam ANGOLA (1990 Polish National Champion Mare, one of the Janów special collection mares, also dam of 1999 Polish National Junior Champion Mare, ANEGDOTA). ANGOR has already proven his breeding potential passing along the seal of quality to his first crop of foals. The best example is lovely colt MANGO — the winner of the yearling class and Junior Male Champion private bred at the Polish Junior Championships — Białka 2000.

ARARAT — 1999 Polish National Champion — is a stallion of classic beauty, with an exquisite head, well-balanced body and elegant movements. ARARAT is the result of an extremely successful mating, called the "Diamond Cross", of the most popular Saklawi strains in the world today: NAZEER — ASWAN — PALAS and SKOWRONEK — NEGATIW — BANDOS. ARARAT is sired by PALAS, known as "Sire of Champions", out of the beautiful ARRA, Polish National and European Champion Mare, Triple Crown winner of DERBY, Oaks and Criterium. ARARAT through his grandam, the remarkable ARBA, is closely related to other Polish chief sires such as ARGO, ARBIL and ARBOR. ARARAT is strongly passing his qualities to his offspring highly valued for its refinement, style and beauty. ARARAT first crops include: EMIGRANT — 1997 Polish National Reserve Champion Stallion, sire at Michałów Stud; CALKA, EUSKARA, PELUSZKA, BELLA DONNA, BARKA — Top Five Fillies at 1999 Białka Junior Spring Show and EURON — Top Three Yearling Colt at 1999 Polish Junior Male Championships; FONOLA — 1996 Norwegian National Champion Mare; and ELIOP — 1996 Bandola Stakes winner.

EMIGRANT — 1997 Polish National Reserve Champion Stallion and 1999 Nations Cup Reserve Champion Stallion, the gorgeous young sire of "new dimension" to continue the exploit of PALAS in Polish breeding. EMIGRANT is the sublimite of classic Arabian features — beautifully designed exotic head and perfect body, swan neck, velvet big eyes, elegant movements. EMIGRANT's generously constructed pedigree carries the blood of the most precious dam families in world breeding — family of BALAJKA — dam of BASK, BANDOLA and ARFA; family of EUNICE — dam of EUROPA, EUKALIPTUS and EUFONIA; and family of ESTOKADA — the originator of famous Michałów Champions "E" family. EMIGRANT — the son of the most beautiful EUKALIPTUS daughter EMIGRANTKA — 1992 Polish National Champion Mare and 1991 European Champion Mare, belongs to the starworld Hall of Fame. He is closely related to the most famous Polish, European, international and US Champions like PENICYLINA, PILARKA, ETRURIA, GONDOLIER, HARACZ, CAMEA, FANTASTKA, KABALA, PREMIA, EGINA, ESTEBNA, ELKANA, ELKIN, EKSTAZA, EMISJA, ESPADA, EROS, EMANACJA, ERLANDA. ELDON is the most classic Saklavi stallion, the replica of his famous sire PENITENT — 1985 Polish National Champion Stallion and 1987 European Supreme Champion Stallion; same beauty, fire, spirit and motion. ELDON's pedigree traces three times to the most significant Saklavi sire of the breed — MIECZNIK. The examples are: EDEON — 1994 Polish National Junior Champion Stallion, EPRUWETKA and PERSEKÓWKA — best two years old fillies at 1995 Michałów Junior Spring Show, ARABESKA — the best 1996 three years old filly in British National Arabian Horse Show and beautiful grade B Stakes Winner, ANEGDOTA — 1998 Biała Spring Show Champion Mare and 1999 Polish National Champion Mare, and PIAFF — 1999 Polish National Junior Champion Stallion.

HARBIN exemplifies the Polish breeding philosophy — to breed the beauty and stamina in one. HARBIN — 1997 Reserve Race Champion when beaten only by his stable mate famous DRUID — is the result of the "diamond" Bandos — Palas cross; the Arabian of classic type, proud look, beautiful body and elegant, high action. He is considered as the successor of his great sire EUKALIPTUS, whose daughters — Polish, European and World Championesses PASSA, EMANACJA, EMIGRANTKA, ERLANDA, LARISSA, GRENLANDIA — belong to the world most treasured Arabian mares. HARBIN represents two most precious Polish dam families of EUNICE and BALAJKA — BANDOLA, the dams of the top Polish sires like: EUKALIPTUS, EUBEN, EUNIZAR, EUROPEJCZYK, BAJRAM, BASK, BANDOS and BANAT. His 1999 and 2000 babies look exactly like their father — very typey, with proud look and lovely presence. This was proven by the yearling colt CIRKUS (out of Borek's lovely daughter CIRKA) — class winner at the Polish Junior Championships — Białka 2000.

LAHEEB — extremely typey, refined, beautiful and showy; represents the most precious Egyptian bloodlines in the world. The great value of his pedigree consists in the strong base of NAZEER line, the most successful in the international show ring today. The NAZEER line is represented in Laheeb pedigree by two best Nazeer sons: ANSATA IBN HALIMA and MORAFIC. The idea to lease this exciting young stallion to Poland was based on conviction of the advantage of introducing those famous bloodlines to the Polish breeding program, as well as on historically proven success of blending Polish and Egyptian Arabians.

PILOT — an exceptional stallion with an exceptional history. Sold at the age of 3 to the late Mr. Paolo Gucci on a special agreement with a guarantee to come back to Poland for breeding. Saved after the fatal fall of Millfield Stables by Mr. and Mrs. Watts, Halsdon Arabians (UK) where he finally found home, safety and love. Yet Janów Podlaski State Stud never forgot that PILOT had been promised to come back. Thanks to Mr. and Mrs. Watts and good co-operation between those studs, Janów dream came true — PILOT came on lease to his maternal stud. He is definitely most desirable sire to be used in Janów, where it seems he will fit perfectly well being the result of exceptionally accurate blend of the best Kuhailan bloodlines through his sire FAWOR (Polish National and World Champion Stallion, the sire of Champions) and grand-sire BANAT (British National Champion Stallion), and Saklavi touch of his dam (Janów favourite mare PIPi — 1989 Polish National Champion Mare) and grand-dam, great championesse called "Pearl in the Crown" — famous PILARKA (World Champion Mare and the "best of all breeds" at the British Nationals). PILOT — solid and beautiful with dry, refined head and great body belongs to the famous Janów Podlaski "P" family, known for constantly producing national and international champions, including the 1999 World Champion Stallion PIRUET, and Pilot's son G TAMIN — World Junior Champion Stallion.

WOJSLAW — 1991 Polish National Champion Stallion and 1997 Champion Racing Sire of stakes winners — is an exceptional sire with very special value to the Polish breeding program. WOJSLAW is the result of idea to complete the Bairoctar d.b. line in Poland by bringing back the bloodline of ARAX, the most influential sire at the Tersk Stud in the last decade. WOJSLAW represents the most famous dam families: TARASZCZA (born in 1937 at Janów Podlaski, dam of NEGATIW) and WARMIA (lovely COMET daughter, dam of WIZJA — US National Champion Mare, and WILEJKA — 1982 Polish National Reserve Champion Mare, also dam of WILNIANKA by Tallin — 1989 Polish National Reserve Junior Champion Mare). His get confirms the breeders expectations and WOJSLAW's qualities as a superb sire. WOJSLAW is passing along to his offspring enormous athletic abilities, size, frames, length of neck and excellent overall conformation. As an examples are: Oaks winners ESTELKA and phenomenal racer DRUID — winner of 11 stakes incl. Produce, DERBY, twice Europa Prize Int'l and twice Criterium Stakes; price record holder when sold at the Polish Prestige Sale 1999 for US\$500,000; and the great star, exciting EMANOR, 1998 Polish National Champion Stallion and "Best in Show", 1999 Canadian and US National Champion Stallion, 2000 Scottsdale Champion English Pleasure.

Each mare shall be ultrasound checked and the result of such inspection shall be included in the health certificate. A copy of the health certificate shall be available at the Sale Office. Each purchased horse, on the day of delivery, shall be supplied with an official veterinary certificate required by the veterinary authorities of the country of destination. The costs of officially required veterinary examinations and certificates shall be charged to the Buyer.

SALE DEPOSIT: Each person who wishes to take part in the bidding has to register at the Sale Office prior to the Sale and pay a deposit of US\$ 1,500.00 or equivalent in cash, American Express cheques or one of the following credit cards: Visa, American Express, Euro/MasterCard, Diners Club, or JCB. The deposit shall be returned after the Sale if no purchase is effected.

BIDDING: All horses sell with reserves. The highest bidder shall be the Buyer provided that the reserve has been reached. In case of a dispute, the bidding on the horse shall be reopened for advance bids, and if

there be no advance, the horse is sold to the person from whom the auctioneer recognized the last bid. Bids received after the fall of the hammer, or after 6.00 p.m. in the Silent Sale are not grounds for dispute. Bids acknowledged by bid spotters in the Polish Prestige Sale are recognized as if tendered to the auctioneer. The auctioneer reserves the right to withdraw any horse from the Auction at any time.

INSURANCE: Immediate full mortality insurance coverage is effective upon the fall of the hammer, for the amount of the total purchase price. The insurance, arranged by the Sale Management with C. Jarvis Insurance of Solon, Ohio USA, will remain in effect until the purchaser signs the contract or until midnight of the first business day after the sale, whichever occurs first, by which time it is the obligation of the new owner to arrange permanent insurance if desired.

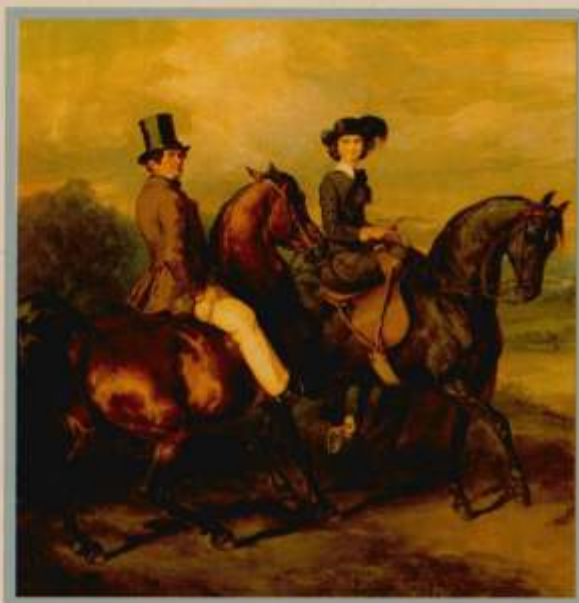

BUYER'S PAYMENT: The due for the horse(s) purchased shall be paid by unconditional money order to Polish Prestige Spółka z o.o. account No. 10301061-03476001 with Bank Handlowy w Warszawie S.A. at least 5 days before delivery and on August 31, 2000 at the latest.

STABLING: All horses sold in the Sale shall be moved to their studs of origin immediately after the Sale unless the Buyer agrees with Polish Prestige to place his horse(s) elsewhere at his own expense. Maintenance fees in the amount of US\$ 7.00 daily per horse shall be charged to the Buyer commencing 30 days after the Sale in case of horses sold to foreign countries or 10 days after the Sale in case of horses sold inside Poland.

RELEASE TO BUYER: Each horse shall be released to the Buyer at the time and place agreed upon after full payment of the invoiced amount including maintenance fees is received by Polish Prestige.

RESPONSIBILITY FOR ACCIDENTS: Every person attending the Sale or entering stables or inspecting any horses shall do so at his own risk. The organizers of the Sale shall not be in any way liable to any such person for any injury, loss or damage suffered during the Sale.

LAW: The Purchase Contract concluded at the Sale shall be made in accordance with Polish law and any dispute resulting from it will be resolved pursuant to Polish law.

WARUNKI AUKCJI

KATALOG: Organizatorzy aukcji dołożyli wszelkich starań, aby informacje zawarte w katalogu były zgodne ze stanem faktycznym, jednak zastrzegają, że nie ponoszą odpowiedzialności za błędy i pominięcia. Informacje ogłaszane podczas aukcji będą miały moc korygującą w stosunku do katalogu.

ŚWIADECTWA ZDROWIA: Każdy koń zgłoszony na aukcję zostanie zbadany przez lekarza weterynarii i będzie zaopatrzony w świadectwo zdrowia. Każda klacz zostanie zbadana pod kątem zębności metodą ultrasonograficzną. Wynik takiego badania będzie zawarty w świadectwie zdrowia. Kopia świadectwa zdrowia każdego konia będzie dostępna w Biurze Aukcji. Każdy koń sprzedany za granicę będzie w dniu wysyłki zaopatrzony w oficjalne świadectwo zdrowia wymagane przez władze weterynaryjne kraju przeznaczenia. Koszt oficjalnie wymaganych badań i świadectw poniesie nabywca.

WADIUM: Przed przystąpieniem do licytacji klienci zobowiązani są do zarejestrowania się w Biurze Aukcji i do wpłacenia wadium o równowartości 1500 USD gotówką lub jedną z następujących kart kredytowych: Visa, American Express, Euro/MasterCard, Diners Club lub JCB. Wadium zostanie zwrócone wpłacającemu bezpośrednio po aukcji, o ile zakup nie dojdzie do skutku.

LICYTACJA: Wszystkie konie mają określone przez wystawców ceny rezerwowe. Nabywcą staje się osoba oferująca najwyższą cenę, o ile została osiągnięta cena rezerwowa. W przypadku powstania sporu między dwoma lub więcej licytującymi, sporny koń zostanie poddany ponownej licytacji. Przy braku dalszych postąpień, koń zostanie sprzedany osobie, od której aukcjoner przyjął najwyższą ofertę. Oferty zgłoszone po uderzeniu młotka w aukcji głównej lub po godzinie 18.00 w Silent Sale nie będą brane pod uwagę. Oferty przekazane asystentom aukcjонера podczas aukcji głównej liczą się tak jak oferty przekazane bezpośrednio aukcjonerowi. Aukcjoner zastrzega sobie prawo wycofania dowolnego konia z licytacji w dowolnym momencie.

UBEZPIECZENIE: Z chwilą uderzenia młotka sprzedane konie zostają ubezpieczone na wylicytowaną sumę (włącznie z ryzykiem padnięcia). Ubezpieczenie takie, zawarte przez organizatorów aukcji z firmą C. Jarvis Insurance, Solon, Ohio, USA pozostaje w mocy do momentu podpisania przez nabywcę umowy z ubezpieczycielem, jednak nie dłużej niż do północy pierwszego dnia roboczego po aukcji. W tym czasie nabywca powinien zawrzeć stałą umowę ubezpieczenia.

PLATNOŚĆ: Nabywca jest zobowiązany wpłacić należność za konie bezwarunkowym przekazem bankowym na konto Polish Prestige Sp. z o.o. w Banku Handlowym w Warszawie S.A. nr 10301061-03476001 co najmniej 5 dni przed odbiorem koni(a), lecz nie później niż 31 sierpnia 2000 r.

UTRZYMANIE: Wszystkie konie sprzedane na aukcji zostaną umieszczone w stajniach wystawców bezpośrednio po aukcji, o ile nabywca nie uzgodni z Polish Prestige, że zakupione przez niego konie mają zostać umieszczone gdzie indziej na jego koszt. Koszty utrzymania o równowartości 7 USD dziennie za jednego konia będą naliczane po upływie 30 dni od aukcji w przypadku koni sprzedanych za granicę lub po upływie 10 dni od aukcji w przypadku koni sprzedanych w kraju.

PRZEKAZANIE: Każdy sprzedany koń będzie przekazany nabywcy w uzgodnionym miejscu i czasie po otrzymaniu przez Polish Prestige pełnej płatności łącznie z ewentualnymi kosztami utrzymania.

ODPOWIEDZIALNOŚĆ ZA WYPADKI: Wszystkie osoby uczestniczące w aukcji, wchodzące do stajni czy oglądające konie, czynią to na własne ryzyko. Organizatorzy aukcji nie ponoszą odpowiedzialności za jakiegokolwiek szkody na zdrowiu czy mieniu poniesione przez te osoby podczas trwania imprezy.

PRAWO: Umowa Sprzedaży zawarta w wyniku aukcji została sporządzona zgodnie z polskim prawem i wszelkie spory mogące z niej wyniknąć będą zgodnie z nim rozstrzygane.
