# PAMIR

- 1988 Race Horse of the Year**  
**1989 Stockholm World Cup Champion**  
**1993 Polish National Champion Stallion**

*"The winner was masculine and charismatic Pamir. He's also the fifth National winner of his now legendary dam, the Aswan daughter Parma. The fact that he also won the Derby in 1988 places him in the annals of Janów Podlaski-bred stakes - winning National Champions, along with such notables as Arra, Europejczyk and Pepton. Coupled with his beauty and athleticism is his credibility as a sire, established through his National Junior Champion daughter, Emilda.*

*Pamir is a large, substantial stallion of enormous presence, whose greatest attributes are an excellent shoulder and tremendous depth of girth."*

Scott Benjamin, Arabian Horse World, June 1994

## Racing Record:

Stallion

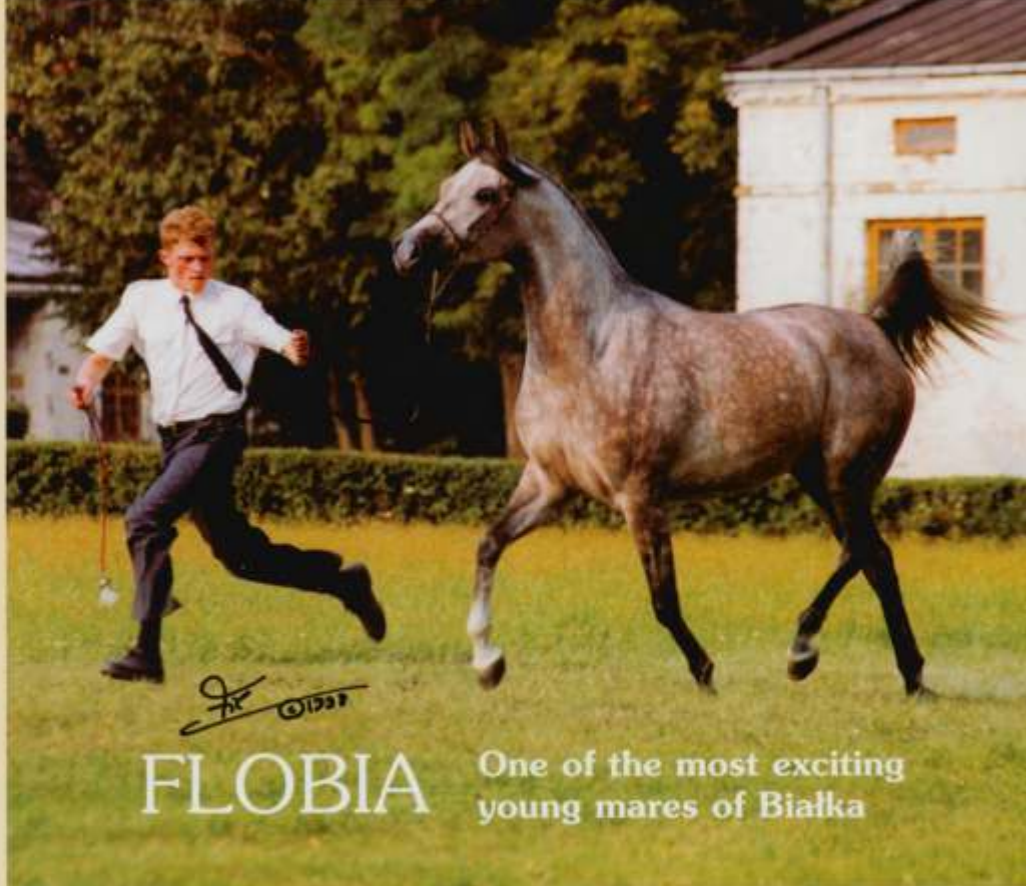

**GEPARD**  
1995 Race Horse of  
the Year, track record  
holder

"A excellent mover of outstanding structural correctness, Flobia, as a wonderful example of the contemporary athletic Arabian, is capable of success in both halter and in performance.

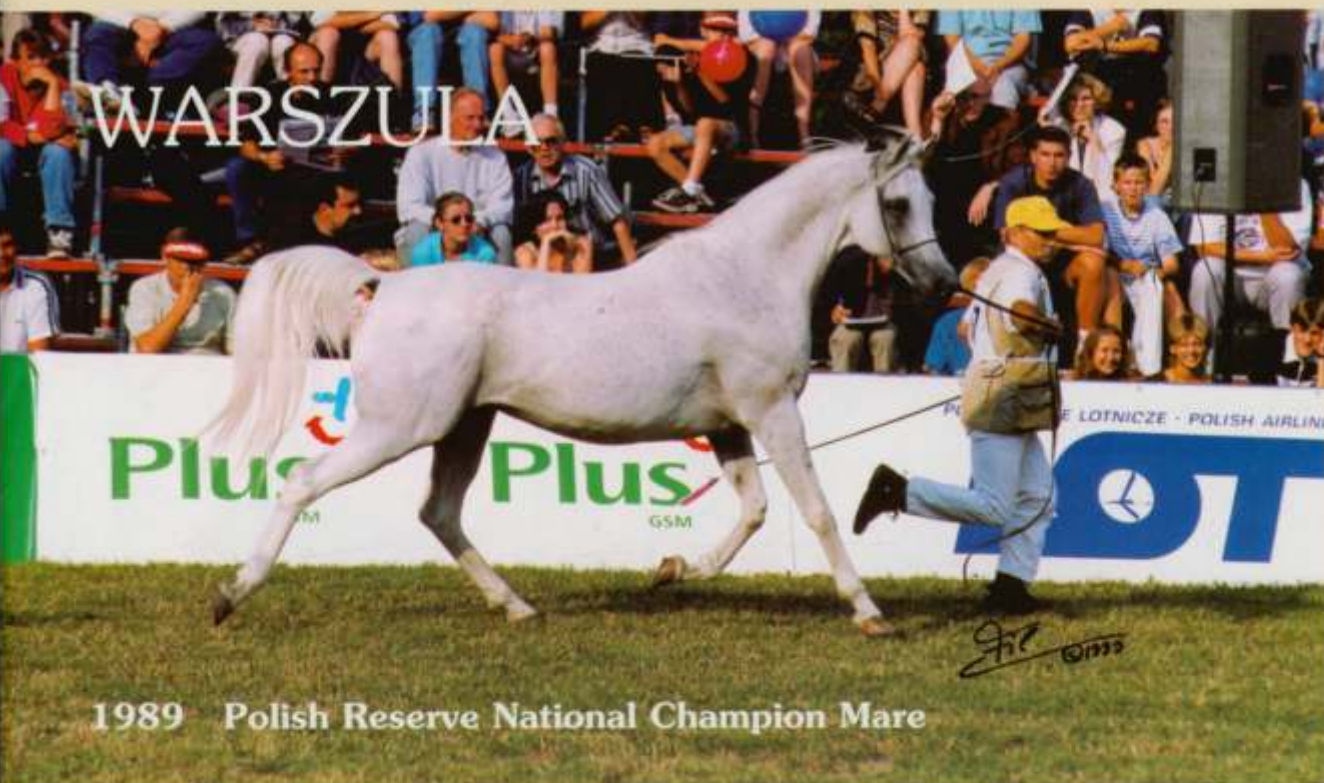

Through her sire ZŁOTOGLÓW she descends from the family of ZŁOTA IWA, famous for producing horses such as: ZAZULA – European Reserve Champion Mare and Supreme Champion Mare, All Nations Cup Aachen; ZADYMKA – Scottsdale Reserve Grand Champion Mare and Canadian Nationale Top Ten Mare; ZŁOTA IZA – Scottsdale Top Ten Mare; and ZAGROBLA – Polish National and All Nations Cup Reserve Junior Champion Mare."

Anna Stojanowska

**FLOBIA**

One of the most exciting young mares of Białka

**WARSZULA**

**1989 Polish Reserve National Champion Mare**

"Michałów's exquisite Warszula, third in the broodmare class, received a perfect ten for type. Extremely dry and refined, she looks as if she was taken right out of the dessert, and put her competitors to shame with a magnificent display at the trot, scoring three enthusiastic nines and a large round of applause."

Scott Benjamin, Arabian Horse World. June 1994

1993 Polish National Champion Mare

# ALEJKA

"Janów Podlaski's alluring Alejka was the favorite of judge Ismer, who gave her a score of 45, including tens for type and head and neck. Alejka is typical of the mares for which Janów Podlaski is admired for producing; extremely complete female of excellent conformation, with a very beautiful head and a long, elegant neck. An ideal blend, Alejka combines the beauty and refinement of Palas and Bandos with the size, structure and athleticism of Czort..."

**The dam of:**

ALT (by Pamir)  
1996 Swedish Reserve  
Champion Stallion and  
1997 Scandinavian Reserve

"Always the crown jewel of the show is the class of mature mares. It was impressive. Beffiting her name, the winner was Empressa, a flea-bitten grey. Her point score was (94 out of 100) the highest for any female..."

# EMPRESSA

## 1998 Polish National Champion Mare

"Empressa knows how truly regal she is and she loves to strut her stuff. Very snorty and blowy, with great tail carriage and probably the most lofty and most dynamic trot of all the Probat daughters. And a real sweetheart as well. Just a joy to show."

Scott Benjamin, Arabian Horse World, December 1998

# FERNANDO

**WARSAW AIRPORT** welcome: Our English-speaking personnel will meet you at the Warsaw Airport and arrange a free shuttle to your hotel.

**WEATHER** in Poland in mid-August is generally sunny and warm. Evenings may sometimes be cool, especially in the mountains, and showers may occur. We advise packing a sweater and rain gear.

Kraków - Wawel Cathedral

**DRESS.** Casuals are proper for most of the Festival activities, however sport jackets for gents and hats for ladies are welcome for the Auction and the International Racing Day. Comfortable walking shoes are advisable for the Gentle Poland tour.

**MEALS.** All meals served in the program are designed to provide you a good variety of Polish specialties. Our clients are usually pleased with the taste and abundance of food, however if you have special food preferences please let us know.

**ZABOREK,** an original 19th century settlement, is a peaceful accommodation of two manor houses and a stylish windmill near Janów. Cozy double rooms with bathrooms furnished with authentic furniture offer serenity. Guests will savor the long-forgotten fragrance of home-baked bread.

Warszawa - Royal Castle

KAZIMIERZ DOLNY, located in the picturesque Vistula valley, is a lovely old town which owes its 17th century prosperity to Polish wheat exports. Beautiful Old Market square and romantic ruins of a medieval castle attract both artists and tourists.

ZAMOŚĆ was the capital town of Zamoyski family estate. Count Jan Zamoyski established the town in 1580. Now it is one of the best examples of Polish Renaissance towns completely preserved with the original Town Hall, market square and city walls.

KRAKÓW (Cracow) the ancient capital of the Kingdom of Poland is one of the important cultural centres of Europe. Visits to the Wawel Royal

Castle, Jagiellonian University (established in 1364), and the Old Town are musts. The unique climate and unforgettable charm of the city, its stylish restaurants, lovely cafes and rich artistic life encourage visitors to return.

ZAKOPANE, once a small mountain village, is now a popular vacation resort. Well marked tourist trails bring you to the most beautiful sights of the Tatra National Park. Comfortable walking shoes are necessary to enjoy mountain hiking. Visiting some of the most beautiful mountain valleys is also possible by horse drawn buggies

operated by locals. Some outstanding examples of old wooden architecture may be admired in Zakopane and surrounding mountain villages.

PIENINY is a small and very picturesque mountain range near Tatras. The beautiful Dunajec River cuts through the rocks of the Pieniny National Park. To get the best view of the Park you get on one of the rafts which mountaineers float down the river. The safe ride down stream in a raft operated professionally by men in traditional costumes is one of the major regional attractions.
