HRH Sheikh Hamad bin Isa Al-Khalifa

Two year old Kuhailan Afas at Gumiska (Poland)

Mr Zientarski (Stud Manager of Gumiska) in Bahrain

Ladies and Gentlemen,

Arabian horses bring people and nations together. This truth is best exemplified in the story of Kuhailan Afas and his contemporary descendants: FAWOR and EMILDA. Kuhailan Afas was bred in 1930 by the Amir of Bahrain His Highness Sheikh Hamad bin Isa Al-Khalifa. Imported in 1931 by Prince Roman Sanguszko, Kuhailan Afas established a powerful line which, reaching out of Poland, extends with its branches to a multitude of nations. FAWOR bred by Michalów is truly an international sire whose offspring is winning show and race honors in Poland, USA and Europe. EMILDA, a young but already famous mare, also bred by Michalów master breeder Ignacy Jaworowski, is a dream of many international show lovers. The 1997 Polish National Reserve Champion

Mare EMILDA was the highest scored mare (95,67) and the international audience favorite.

The spotlights of the 1998 Polish Arabian Summer Festival are on Kuhailan Afas line. The special Kuhailan Afas Parade held on August 14 is a small token of Polish gratitude to the Royal Al-Khalifa family, who let this foundation stallion come to Poland. The best Kuhailan Afas descendants will take part in the Parade, the cream of the Parade: FAWOR and EMILDA will be the superstars of the POLISH PRESTIGE 1998 Sale. Please accept my most cordial invitation to the Polish Arabian Summer Festival 1998.

The first ARBIL son to be used in Polish breeding to continue the precious KRZYZYK d.b. - BANAT line. WACHLARZ - beautiful dark bay of exotic head, with lovely arched neck, very typey, looking like Prince Josef Poniatowski's famous Arabian Stallion SZUMKA. WACHLARZ's pedigree consists the perfect balance of Kùhailan and Saklavi strains. He carries the athletic features and great body of his male ancestors and touch of beauty and refinement through his female tail line when double crossed to ASWAN. WACHLARZ's dam family belongs to the Poland's most esteemed and distinguished itself by producing several Champions incl. US National Champion Mare - WIZJA, Polish National Champions - WENERA, WOJSLAW and WIAZMA, Swedish National Champion - WENEDA and Polish Top Five Mare - WENETA. WACHLARZ is a paternal brother to the Polish National Junior Champion Fillies - WIAZMA, DZIECIELINA and ALBA. WACHLARZ's foals prove their sire genetic strength when showing some superb qualities.

WOJSLAW - 1991 Polish National Champion Stallion and 1997 Champion Racing Sire of stakes winners - is an exceptional sire with very special value to the Polish breeding program. WOJSLAW - a beautiful, refined individual of great quality is the result of idea to complete the Bairactar d.b. line in Poland by bringing back the bloodline of ARAX, the most influential sire at the Tersk Stud in the last decade. WOJSLAW represents the most famous dam families: TARASZCZA (born in 1937 at Janów Podlaski, dam of NEGATTW) and WARMIA (lovely COMET daughter, dam of WIZJA - US National Champion Mare, and WILEJKA - 1982 Polish National Reserve Champion Mare, also dam of WILNIANKA by Tallin - 1989 Polish National Reserve Junior Champion Mare). His get confirms the breeders expectations and WOJSLAW's qualities as a superb sire. WOJSLAW is passing along to his offspring enormous athletic abilities, size, frames, length of neck and excellent overall conformation. As an examples are: Oaks winners ESTELKA and phenomenal racer DRUID - winner of 11 stakes incl. Produce, Derby, Europa Price International and twice Criterium Stakes.
